

Scholastic Book Fairs

MCRC hosts 2 scholastic book fairs each year in early May and early November. The book fairs take place over the course of one week at 410 Bronte St. South, with a more limited selection available at Bruce Trail Early Learning and Child Care Centre. Families take books home the same day they purchase them.

Scholastic Book Orders – monthly flyers

MCRC families are invited to purchase books and resources through Scholastic Canada book orders on a monthly basis. Book orders are placed on the “due date” stamped on each order form. Book orders may take up to 10 business days for Scholastic to ship. Flyers are available from your child’s teacher, the Parent Resource Library and in the hall across from the Nursery School classroom.

When you place a Scholastic Book order or purchase a book from one of the book fairs MCRC benefits. We collect book “points” that allow us to order free books and resources for the centre.
