Professional Development Funding for 2010 for All Licensed Child Care Operators

August 2010

The Halton Resource Connection is responsible for the coordination and dissemination of the Professional Development and Relief Staff money available in 2010. This funding has been made possible through the Best Start initiative.

All licensed child care programs in the region of Halton are eligible to apply for this one-time funding and it will be disseminated as funds become available.

Table with 3 columns: Activity, Spring 2010, Fall 2010. Rows include PD Funding Letters to the Community, Deadline for Requests, and Funds Distributed.

These funds are made available to the licensed child care community for the following purposes:

- 1. Registration fees for staff to attend professional development events... 2. The registration fee for Quality First participation. 3. Quality First Training. 4. Costs associated with the use of relief staff... 5. On site training events... 6. Cross training or job shadowing... 7. Support for staff on site... 8. An Organizational Membership to The Halton Resource Connection...

The amount that your centre receives will depend on the following:

- 1. The complete application being submitted as requested on time 2. The request supports the criteria listed above 3. The number of requests received from the community 4. Completeness of application.

If you have any questions or concerns regarding providing proof of payment, contact 905-875-4600 ext 103

Sincerely, Ruth Anne Wollaston The Halton Resource Connection Resource Library Coordinator
